

Judge Colombell,

1-16-25

My Name is Michael Thurston
I'm reaching out to you in reference to
cv00521, As of now I have a pending complaint
against Henrico Doctors Hospital in cv00488,
and Henrico Police in cv00487 that I sent
back to Federal courts both particularized
in Dec 2024. When I originally filed complaints
I was unsure if my mail was being sent out
or being received. So that's how cv00521
got filed, I was unaware that cv00488 &
cv 00487 had indeed been filed. I would like
to dismiss cv00521 and only move forward
with cv00488 & cv00487. I apologize for any
inconvenience but due to similar allegations in cv00521
there's only need for cv00488 & cv00487
moving forward.

Michael Thurston
